● Numbers in item names serve as a guide for the amount you can fill. Please check the actual articles by conducting tests such as filling and resistance to the contents.

● The capacity and bottle size figures are standard values (before decoration and in a standard color), which may differ from measurements.

● Capacity figures shown in the table are valid without any inside lid

● For more details on caps and accessories, see the end of Standard catalog 2021②.

● Please note that the specifications are subject to change.
