● Numbers in item names serve as a guide for the amount you can fill. Please check the actual articles by conducting tests such as filling and resistance to the contents

● For more details on caps and accessories, see the end of Standard catalog 2021①.

● The capacity and bottle size figures are standard values (before decoration and in a standard color), which may differ from measurements.

● Please note that the specifications are subject to change.

● Bottle height and threads are subject to change with some accessories.

We have other containers available for delivery to mailboxes of 30 mm or less. For more information, please see the additional issue 2021①.
