					TON	TON II Stopper TON III Stopper		

① Numbers in item names serve as a guide for the amount you can fill. Please check the actual articles by conducting tests such as filling and resistance to the contents.

② The capacity and bottle size figures are standard values (before decoration and in a standard color), which may differ from measurements.

③ For more details on caps and accessories, see the end of Standard catalog 2021.

④ Please note that the specifications are subject to change.

* Compatible only with the ISC-80H Eco-friendly materials
