

Mr.Goro Ishizuka
Glasel Co., Ltd.
2-5-10 Shukunosho, Ibaraki-city,
Osaka 567-0051 Japan

Dear Mr.Goro Ishizuka,

Through the U Trust® verification program, using Fiberprint® technology, Unifi is pleased to advise you that the following sample as referenced below has passed the Repeve® Our Ocean™ Certification Standards:

Fabric Number: ZJHY-08 (YJHY08-300D)

Program: Glasel

Content: 100% Repeve Our Ocean

Structure/Construction: Woven, Plain

Yarn Information: Warp&Weft: 2/150D/36F REPREVE Our Ocean recycled DTY polyester filament

Applicant Information:

Repeve® Our Ocean™ Certification: RPVOCN-1358

Issue Date: April 28, 2023 Expiration Date: April 28, 2024

*Note: This certification covers the period of one year. Re-certification is required for active programs on an annual basis.

Unifi Textiles (Suzhou) Co. Ltd. is excited to be working with your company and we look forward to additional new programs.

This certification is provided as of the date written above and for the sole and exclusive benefit of the recipient identified above, and it may not be relied upon by any third party. This certification relates only to the submitted sample identified above and does not extend to any other product(s) or material(s). This certification is void if doctored, mutilated, forged or otherwise altered or amended in any respect.

U Trust® verification does not warranty the content or performance of any product beyond the submitted sample. *It is the responsibility of the Brand/Retailer to verify production orders have received the U Trust® Certification.*

Best regards,

Luka Yuan
