● Numbers in item names serve as a guide for the amount you can fill. Please check the actual articles by conducting tests such as filling and resistance to the contents.

● The capacity and bottle size figures are standard values (before decoration and in standard color), which may differ from measurements.

● Please note that the specifications are subject to change.

● For more details on caps and accessories, see the end of Standard catalog 2017 and Extra issue 2019.

● Caps and accessories are shown for example purposes only. Some specific bottles or sizes may not be nicely coordinated with some caps and accessories, even though they fit together. Please check the actual articles, or contact us.
