(Multi-layer)

### BOU · BOUF

- Flush with their respective purpose-designed over caps, this family creates an attractive harmonious expression. The body and over cap are both cylindrical.
- The over cap, made of polypropylene, is colored light milky white, ranging from translucent to opaque.
- According to the specifications of dispensers fitting to the bottles (see the table), the purpose-designed over cap can be interdigitated.
- The body has a step at the shoulder.
- Shiny surfaces produced by an EV outer layer give a quality appearance.

● Numbers in item names serve as a guide for the amount you can fill. Please check the actual articles by conducting tests such as filling and resistance to the contents.  
● The capacity and bottle size figures are standard values (before decoration and in standard color), which may differ from measurements.  
● Please note that the specifications are subject to change.

● Bottle height and threads are subject to change with some accessories.  
● For more details on caps and accessories, see the end of Standard catalog 2017 and Extra issue 2019.  
● Caps and accessories are shown for example purposes only. Some specific bottles or sizes may not be nicely coordinated with some caps and accessories, even though they fit together.  
● Imported Product Products not made in Japan
