■ Numbers in item names serve as a guide for the amount you can fill. Please check the actual articles by conducting tests such as filling and resistance to the contents.

■ The capacity and jar size figures are standard values (before decoration and in a standard color), which may differ from measurements.

■ Please note that the specifications are subject to change. ■ Capacity figures shown in the table are valid without any inside lid.

■ For more details on caps and accessories, see the end of Standard catalog 2017 and Extra issue 2018 p.33.

*1 Provided with a packing to ensure airtightness.

*2 The inside lid can be used to place a spatula on.
