

Foamer pumps that fit bottles with a Z-500 mouth and produce a fine foam simply at the push of the head have been newly added.

Z-1000-F001/F002 FOAMER PUMP

●Z-1000-F001 + PHR-200F●

●Z-1000-F001 + HAC-200●

●Z-1000-F001 + PX-350F●

●Z-1000-F001 + HV-150A●

Z-1000-F001

Product name	Material	Mesh Type	DOSAGE	BOTTLE*
Z-1000-F001	PP	Double mesh	1.0cc	PHR-200F
Z-1000-F002		Single mesh		HAC-200 PX-350F HV-150A

■ Our foamer pumps produce a fine foam simply at the push of the head by using air, and no other gases.

■ Two mesh types are available: single and double
